Sen Group of Companies: Leading the Way in Vacuum Impregnation Services

At Impregseal & Teknoseal, subsidiaries of the Pune-based Indian multinational Sen Group of Companies, we're not just leaders – we're pioneers. With a legacy of innovation and unwavering commitment to excellence, we've cemented our position as a global force in specialized vacuum impregnation services.

Under the leadership of a New COO, company focus on quality and performance is paramount. Serving an esteemed international clientele, we take immense pride in delivering solutions that exceed expectations. Our dedication to excellence is validated by certifications from esteemed global institutions and agencies.

Our recent participation in IFEX 2024 at the Bangalore Exhibition Centre was a resounding success. The overwhelming response from prospective clients underscored our impact on business growth. We're grateful for the opportunity to showcase our capabilities and connect with industry leaders.

SEN BROTHERS BAG **MCCIA G S PARKHE AWARD** FOR INNOVATION

Saibal Sen and Probal Sen, the visionary founders behind Impregseal and Teknoseal, stand as shining examples of India's entrepreneurial prowess and innovation. Their steadfast commitment to excellence and their unwavering passion for their craft have propelled their companies onto the global stage, earning them the moniker of 'Sen Brothers' among Indian foundrymen.

At the prestigious MCCIA Annual Awards ceremony held at Balgandharva Rang Mandir on March

11th, 2020 and 2021 these pioneering brothers were honored with the esteemed G S Parkhe Award, India's oldest Industrial Award for Innovation. This recognition serves as a testament to their tireless dedication and groundbreaking contributions to the field of Vacuum Impregnation Machines & Sealants.

For Saibal Sen and Probal Sen, this award is more than just recognition; it's a validation of their relentless pursuit of excellence and a testament

to their unwavering belief in the power of 'Make In India'. Their innovative spirit not only elevates Indian products to global standards but also serves as a beacon of inspiration for aspiring entrepreneurs across the nation.

As they continue to forge ahead, their passion, determination, and commitment to excellence, will undoubtedly pave the way for a brighter future, where Indian ingenuity reigns supreme on the global stage.

Impregseal Supplies Fully Automated Robotic Vacuum Impregnation plant to global Two Wheeler Manufacturer

Fully Automatic Installation supplied to global two wheelers manufacturer

From conceiving the project to monitoring the solution, Impregseal is present at every stage to deliver the solution to the client. It has flexibility in offering standard design semi-automatic and fully automatic Impregnation units as well as specially customized units as per the customer's requirements.

Automobile manufacturing is one area where impregnation in the entire manufacturing chain, adds value. Impregseal executed a major project for a global Japanese two wheeler manufacturer. Impregseal supplied an automatic installation which is PLC / CNC Based System with material handling facilities with

safety standards incorporated. The Installation of this fully automatic PLC based system was for the use of motor cycle engine components. The process involves a vacuum plus pressure cycle for the sealing of very fine porosity if in aluminum alloy dye casting for crank case and Cylinder Head components.

TEKNOSEAL BAG INDIA MSME 5000 AWARD FOR QUALITY

Metal Impregnations (India) Private Limited, Vacuum Impregnations Pvt. Ltd. and Teknoseal Engineering Solutions, stands as a paragon of excellence in the design, manufacture, and supply of Vacuum Impregnation machines and sealants.

Their visionary aspiration is to ascend among the top 5 global enterprises, serving as the premier

impregnation sealant provider worldwide. Anchored by a mission that revolves around sustainable business expansion through meticulous research and development, unwavering commitment to total customer delight, and the cultivation of a nurturing work environment, the company epitomizes excellence in

every facet of its operations.

The prestigious India 5000 Best MSME Awards 2023, conferred in recognition of Quality Excellence, stands as a crowning achievement for Sen Brothers reaffirming its position as an industry luminary and a paragon of excellence in the MSME sector.
